## The Quilted Life

### Eastside Quilters Guild Presents Hollow Star workshop 12:30-4:30 Thursday June 21st

Krista Moser is the creative force and inspiration behind The Quilted Life. A quilting and fiber arts enthusiast, she started sewing at 8 years old sneaking off to the sewing machine during her Mom's nap time. She began her professional sewing and machine quilting career at the spunky age of fourteen adding the texture and dimension machine quilting brings to every project.

She has now been teaching sewing and quilting lessons for more than twenty years. Her work has been featured in quilting magazines, published in books, and hung in prominent quilt shops around the country.

Krista has eight patterns in print and many more on the way! Her patterns are fresh and approachable with a bit of a modern look. The patterns are beautifully illustrated with step-by-step instructions that are explicit, clear, and concise, making the blocks go together almost effortlessly. She loves traditional designs with a contemporary flair.

In addition to her pattern line, she runs a full-time business as a custom long arm quilter. Every day you will find her in her studio sewing, quilting, and dreaming up new designs.

Both of her grandmother's were beautiful seamstresses. Sewing is probably genetic ;- ) and the Grandma's would be so proud. You can follow her weekly blog/tutorials and see her current and upcoming patterns at [www.kristamoser.com](http://www.kristamoser.com).
